SUMMARY

Resourceful professional with successful track record in developing innovative web designs and features. Possesses solid knowledge of HTML, CSS, JavaScript and Bootstrap with ability to quickly learn new technologies. Demonstrated success in identifying and resolving complex code issues.

EXPERIENCE

*Suffah-Tech, **Front-End Developer***

Oct 2024 - Present

Utilized HTML, CSS, and JavaScript to create visually appealing and responsive web pages that met client requirements. Coded using HTML, CSS, and JavaScript to develop features for both mobile and desktop platforms. Worked closely with UX/UI designers to translate their designs into functional web applications. Utilized version control systems such as Git to track changes throughout the development process.

*Tek Gravity New Nazimabad, **Intern***

Aug 2024 - Oct 2024

Supported staff members in their daily tasks, reducing workload burden and allowing for increased focus on higher-priority assignments. Gained valuable experience working within a specific industry, applying learned concepts directly into relevant work situations.

*Suffah Institute of Technology, **Web Design Trainer***

Jun 2024 - Jul 2024

Taught essential web technologies, including HTML, CSS, JavaScript, and responsive design principles. Designed practical assignments and projects to ensure hands-on learning and skill application.
